

4th September 2023

Dear Parents and Carers,

Important information

Firstly, I hope you have all enjoyed a wonderful summer. I will be writing to you again later this week with our usual updates and exciting news about the events taking place over the course of the next term, and to also share the overview of our students' recent examination excellent examination results achievements – we are immensely proud of them!

However, I felt that given the recent extensive media coverage regarding Reinforced Autoclaved Aerated Concrete (RAAC) and its use in educational settings it was important to write to you, and confirm, that **we do not have RAAC in any of our buildings**. Therefore, I am very pleased to assure you that we will continue to function as normal and look forward to welcoming all of our students back tomorrow. We've even managed to organise some wonderful weather this week to celebrate the return to school too!

With very best wishes,

Mrs Cristina Taboada-Naya
Headteacher
